

Parents/Guardians:

In an effort to keep you informed about your students learning here at Indian Trails and their contributions to becoming a leader in everyday life, we would like to share with you their Data Notebooks.

These Data Notebooks will be coming home periodically to give you a glimpse into their progress towards their learning goals and their progress into becoming a leader in their learning.

There are sections of this notebook that are marked for discussion and we ask that you and your student take the time to reflect and discuss the information that is presented.

In addition, there is a Parent Response Survey that we are asking you fill out to give feedback to your student on how well they are taking ownership of the 7 Habits at home.

We appreciate your support with our journey into becoming Leaders of Our Learning.

Thank you,
