

Don't be an

Interrupting Chicken!

Why do you think the little red chicken interrupted her papa?

What could the little red chicken do instead of interrupting?

What would you do?

The teacher is reading a story and it reminds you of another story you have read before.

A friend is already talking to some kids about a game you also like to play.

Our class is singing a song together and you are very thirsty all of a sudden.

Choose from color or black & white chickens for your board. I laminated mine and used sticky back magnets to keep them on my white board.
