

Leadership Classroom Checklist

These tips from a lighthouse school can help you to create a classroom culture that encourages every child to be a leader.

- Post The 7 Habits with kid friendly definitions
(The 7 Habits of Happy Kids Character Poster Set and The 7 Habits of Happy Kids Tree Poster are perfect to help with this!)
- Post the Classroom Mission Statement inside and outside the classroom
- Post their Social Contract
- Shake hands with students as they enter the room
- Assign a student to be the Greeter (to greet anyone that comes to the classroom)
- Use Leadership language in lessons weekly and as often as possible in normal interaction
- Help students create and use Data Notebooks to track their goals and progress
- Hold Student Led Conferences and let the students review their goals successes with their parents
