

Leadership Opportunities at Orange

We want to know how having a schoolwide leadership role at school has impacted your child outside of school. Our number one goal with providing authentic leadership opportunities is that students are transferring their skills in other areas of their lives.

1. Did your child hold a school wide leadership role this past semester?

Mark only one oval.

No

2. If so, what positive impact have you noticed in your child because of their role?

3. What challenges or barriers, if any, came up as your child served as a leader in the desired role?

4. Do you have any suggestions as we move forward to provide opportunities for our students?
