As you poke around, take pictures, jot down some notes, and ask kids lots of questions. They are the drivers of everything we do!! Below are a few questions that will guide your thinking:

- What is your favorite habit and why?
- Which habit is easier to follow? Which one is the hardest? Why?
- Tell me about your mission statement; why did you pick that word?
- How does the class mission statement help you in your classroom?
- What goals are you tracking right now?
- What is a WIG? What is YOUR WIG?

How will you RISE UP to leadership today?
