

Master Minute Activity Ideas

R.O.A.R.

← A for Academic Success- You get to master some part of your Academics!

Master Minutes: Minutes that you work on mastering your Academics Success.

On your recording sheet fill out the date, minutes spent on activity each day, and whether you mastered Math, Reading, or Writing that day.

You get to spend AT LEAST 20 minutes, 4 days a week Mastering your Academic Success.

At the end of the week have a parent sign your slip, write the total number of days you worked on Master Minutes, cut your slip off for the week, and turn in to your teacher!
