

Today was absolute worst day ever
And don't try to convince me that
There's something good in every day
Because, when you take a closer look
This world is a pretty evil place.

Even if

Some goodness does shine through once in awhile

Satisfaction and happiness don't last

And it's all in the mind and heart

Because

True happiness can be obtained

Only if one's surrounding are good

It's not true that good exists

I'm sure you really can agree

The reality

Creates

My attitude

It's all beyond my control

And you'll never in a million years hear me say that

Today was a good day
