

Virtual Classroom Leadership Roles

Leadership roles don't just take place inside the walls of a classroom!

Marketing Manager

Create and share important class information via email, social media, or announcements. Design a digital flyer for a class Leadership Event. Share video highlights of class celebrations with families.

Tech Assistant

Support classmates in better utilizing online resources and tools. Share helpful tech tips with the group.

Teacher's Assistant

Lead out in an area of strength or interest. Connect directly with classmates via email, phone, or web conferencing to provide learning support.

Community Partner

Represent your team as you synergize with other classes or volunteer groups in the community. Plan service-learning projects, Leadership Events, or Teach to Learn opportunities about the 7 Habits®.

Event Planner

Hold a classroom Leadership Event and lead the planning efforts. Invite the whole class to plan and carry out the activities, while serving as the project manager to ensure all tasks are completed.

Resource Scout / Librarian

Gather and organize digital learning materials for the class. Work with the teacher to gather required websites and digital files or search for great extension resources to keep the learning going.

Develop your own ideas!

What leadership roles does our class need to achieve success?

Kindness Catcher

Create and implement ways for the class to build each other's Emotional Bank Accounts. Find and report on good news from the class, school, or community to highlight positivity and promote acts of kindness.
